Over 400 drugs require protection from ultra-violet light to ensure optimal potency. Medipak’s UVLI-BAGS™ have provided that protection for over 25 years.

- **EASY**
  - Lighter color green UVLI-BAGS™ make it easier to read labels and check medication levels through the bag
- **CONVENIENT**
  - Our exclusive Slit-Top UVLI-BAGS™ eliminates the need to poke holes when hanging the IV
- **SAFE**
  - Color code different types of drugs with green and amber bags
- **EFFECTIVE**
  - Medipak manufactures the highest quality plastic film and bags. They are fully tested to meet and exceed United States Pharmacopoeia Standards
- **FAST SERVICE**
  - All sizes, styles, and colors are in stock for immediate shipment*
